

Peter's August Letter.

Are you being lied to? You are if you're watching TV news and commentary.

=== >>> Consider this quote: "This constant lying is not aimed at making people believe a lie, but at ensuring that no one believes anything anymore. A people that can no longer distinguish between lies and truth cannot distinguish between right and wrong. Such a people, deprived of the ability to think and judge, is, without knowing and willing to comply, becoming completely subjected to the rule of lies. With such people you can do whatever you want".....Hanna Arendt, German Historian and Philosopher.

So where can we find truth? Spirituality aside for the moment, we find truth when we follow people who have proven themselves to be truthful when we listened to them, or have read their writings, in the past. King Solomon wrote: "To be wise, we walk with wise men" Proverbs 13:20 This requires effort! It behooves us to keep a list of trustworthy people whose articles we read, or whose videos we will watch and listen to.

It is by reading and listening to wise people that yours truly understood from day one that there was no covid-19 pandemic (the numbers never supported a pandemic – fear was being driven by 'phony numbers'). At the same time yours truly was able to determine that the so-called 'vaccine' was at best useless and, (as is being proven now by the continuing list of casualties), very dangerous.

=== >>>The postmodern worldview celebrated at the Paris Olympic opening ceremonies espouses similar values and attitudes that the Bible says will be present during the end times. Passages like 2 Timothy 3:1-5 reveal the spiritual attitude of the last days. "This know also, that in the last days perilous times shall come" (2 Tim. 3:1). Why will perilous times come? Verse 2 holds the answer: "For men shall be lovers of their own selves" (2 Tim. 3:2a). I consider this attitude to be the theme from which all the others listed in 2 Timothy 3:2-5 flow.

All those who are "lovers of their own selves" have become a god unto themselves. Thus, the object of worship becomes the self. The Olympic opening ceremonies celebrated the false god of self.

=== >>> When Mr. Trudeau became Prime Minister in 2015 one of his first acts as PM was to sell the gold that was stored in the Bank of Canada. Today there are more than 70 nations with more gold in the Treasury than Canada (obviously that is not hard). Meanwhile the Federal Government is paying 1 billion dollars a week on the debt that has been run up since 2015. In the event that one or more of Canada's banks run into liquidity problems, there is a way out. A bank can turn cash on deposit into bank shares! That day is drawing closer! ....debtclock.ca .....fraserinstitute.org

=== >>> Signs for 'the end of times': Jesus answered His disciples in Matthew 24, the signs to look for in answer to the question: "What will be the sign of your return, and the 'end of the age'? Jesus' answer: "Take heed that no one deceives you. You will hear of wars and rumors of wars. Nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences and earthquakes in various places. As it was in the days of Noah, before the great flood, people were eating and drinking,

marrying and given in marriage, until the day that Noah entered the Ark. (People) did not know until the flood came and took them away, so also will the (return) of the Son of Man be. Watch therefore because you do not know what hour your Lord is coming. When you see all these signs know that it is near, at the very doors."
